ACKNOWLEDGEMENTS

For more than twenty years a group of physicians, nurses, patients, and researchers at Dartmouth Medical School have worked to make medical care truly responsive to the patients needs. *Hows Your Health, America* is based on this work and on the results of thousands of persons across America who used *www.howsyourhealth.(org or com)*

Generous support from the Commonwealth Fund with additional assistance by the National Library of Medicine, the John A. Hartford Foundation of New York City, the Henry J. Kaiser Foundation, the W.T Grant Foundation, the Robert Wood Johnson Foundation, the Agency for Health Care Research and Quality, The Bureau of Health Professions, and the Institute for HealthCare Improvement (IHI) made the web-site and this book possible.

For their invaluable contributions, we thank Lisa Schwartz, MD, Steve Woloshin, MD, Gene Nelson, DSc, Debbie Johnson, Margie Godfrey, RN, the entire IHI staff, Charles James, PhD., Tim Ahles, PhD. Lisa Wasson, and Bill Edwards, MD. Without Judy Knapp, Lloyd Kvam, and John-Keith Wasson the web-site and data would not be available.

NOTICE

We have tried to make *Hows Your Health, America* error-free. However, those involved in its preparation can not warrant that all of the information is accurate and complete. If you use information from this book as a guide for your health and medical care, be sure to discuss any questions about it with your doctor, nurse, or other health care worker.
